A close-up photograph of a wood-burning stove. A large, dark, textured log is the central focus, with bright, glowing flames rising from it. The background is a warm, orange-red glow from the fire. In the bottom left corner, there are glowing embers and smaller pieces of wood. The overall atmosphere is cozy and warm.

A blurred background of people in a social setting, possibly a restaurant or bar. In the foreground, a glass of sparkling beverage is visible, with a white foam head and a thin layer of condensation. The overall atmosphere is warm and social.
